

THREATS TO PEACE EXAMPLES

The word 'gay' being used as an insult	Giving people a gender at birth
Physical attacks on people who are thought to be LGBT+	Assuming that everyone is straight
People saying that you can't be LGBT+ and have a faith	Rarely seeing, or poor representation of, LGBT+ people in the media
Media celebrating feminine women and masculine men	Not learning about LGBT+ people throughout our history
Calling people names for not fitting gender stereotypes and expectations	Categorising activities into 'things for boys' and 'things for girls'
Shops that separate 'boys' and 'girls' clothes	Ignoring LGBTphobic comments and jokes
Having no "out" LGBT+ people visible in your world	Never saying to your friends that you'd be cool if they were LGBT+

Common

Place here examples that you think are common, but not very threatening to peace.

Place here examples that you think are common, and very threatening to peace.

Not very threatening

Very threatening

THREATS TO PEACE

Place here examples that you think are not common, and also not very threatening to peace.

Place here examples that you think are not very common, but are very threatening to peace.
