Further improve our curriculum so that we can all achieve and be the best we can be!

Priority 2

Introduce a new assessment system to help us all know what we can do and where we are going, in all subjects.

Priority 3

Make sure that reading is at the centre of all we do and that the teaching of reading is exceptional.

Priority 4

Further improve the provision for children with Special Educational Needs and Disabilities (SEND).

Priority 5

Create resilient, confident and independent learners – focusing on Forest School approaches, for all year groups.
